1. Name and Address of the Institution

Ruxmaniben Deepchand Gardi Medical College
Agar Road, Surasa
Ujjain 456006
M.P.

E-mail: uctharc@sancharnet.in

Phone: 0734-2559147

Fax: 0734-2557532

2. Total strength in department including residents

8

3. Facilities in department in terms of computer etc.

Computer: Yes

Printer: Yes

Internet: Yes

4. Area of interest

- We are basically interested in all activities related to Public Health
- Specifically, we have an expertise in all types of hospital/field based epidemiological research
- Conduct of training/workshops and undergraduate medical teaching.
- We have also worked on GIS and have future interests related to GIS

5. Current activities going on

- Demographic Surveillance Site - Continuous surveillance and management
- Projects-Currently, we have the following projects in hand:
- Prevalence of tuberculosis in DSS
- Sex ratio at birth (UNFPA)
- Gender related stigma towards HIV/AIDS
- Antibiotic resistance
- Urban and rural health and training centers
- Undergraduate teaching

6. Expectation from NIHF

- Technical and financial support in proposed collaborative activities

7. Proposed collaborative activity

- Workshops/Seminar/Training on Epidemiological research methodology
- Biostatistics, Clinical Trials, Molecular Epidemiology, GIS and the allied pract
- A research project on monitoring/mapping health care providers and sex ratio at birth data using the Geographic informat

- Sharing of information through print and e-media
- Periodic training of trainers/staff of our department

8. Venue for above activity

- We have sufficient space and facilities for conducting such
- Also it can be done at NIHFW

9. Any suggestion

- We are in the process of starting a postgraduate course in public health and support from NIHFW
- In terms of expertise and extension of courses already being conducted by NIHFW is expected
